

A virtue that we frequently refer to when working with students is that of respect. At this time we would like to remind those that drop off/pick up and drive around our school that we need to be respectful of our community neighbors in Acadia. We ask that you be vigilant in not blocking driveways, for even a short period of time. Last school year we had our bus zone shortened on Ancourt Road to add additional stop and drop space. The bus zone now goes the entire length of our school and to the end of our playground equipment **leaving the roadway along the field available for stopping and dropping off kids.**

We ask that parents neither park nor drop off within the bus zone.

Buses arrive at our campus from 8:00-8:30 AM and from 3:00-3:35 PM.
